When  Isn't Enough

July 25, 2019

SPEAKER BIO:

Dr. Irene Little – (PsyD, MS, MA, LMFT, LCDC, ICADC, ADC III, MAC, CCC-SLP) CEO, Clinical Director

Access Counseling Group is led by CEO and Founder, Irene Little. Since 2007, she has led the organization and fostered its growth from a small group of passionate professionals to one of the most respected facilities in Texas. In addition to her responsibilities as CEO, Irene is also the Clinical Director, ensuring that every client receives the

absolute best Access Counseling Group has to offer.

Irene is also one of the most sought-after clinical speakers in this field, constantly invited to speak as an expert, to teach other and to share her passion for the recovery she knows is in each individual. Irene is particularly known for her understanding of working with adolescents and their families – especially in an era when many facilities have stopped working with teens.
