

## **LISA A. HINSON, LCDC, NCAC, CAI**

Lisa Hinson is a Licensed Chemical Dependency Counselor and National Certified Addictions Counselor with over 15 years' experience in the substance abuse and mental health fields. Committed to carrying the message of recovery, Lisa is a recognized speaker locally, regionally and nationally on trends in drug use and new developments in the field of substance use and co-occurring disorders. Her presentations include the Texas Association of Addiction Professionals, Employees Assistance Professionals Association, Labor Assistance Professionals, medical providers and managed care organizations. As an ARISE Interventionist and Safe Conversations Trainer, Lisa's passion and commitment to recovery is translated into compassion for her clients and their families.

Currently a Clinical Representative for Cypress Lakes Lodge, Lisa provides professional and clinical support through community relations, educational outreach and clinical consultations. Her mission continues to be assisting individuals, families and communities to co-create and support long term recovery.
